AMENDING PART III, ARTICLE 10 OF THE MUNICIPAL CODE (ORDINANCE NO. 287-70, "UTILITY USERS TAX") BY AMENDING SECTION 703 THEREOF TO INCREASE THE RATE OF TELEPHONE USERS TAX AND TO CLARIFY CERTAIN DEFINITIONS THEREIN; AN EMERGENCY ORDINANCE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part III, Article 10 of the Municipal Code (Ordinance No. 287-70, "Utility Users Tax") is hereby amended by amending Section 703 thereof to read as follows:

SEC. 703. Telephone Users Tax.

(a) There is hereby imposed a tax upon every person, other than a telephone corporation, using intrastate telephone communication services in the City and County. The tax imposed by this section shall be at the rate of five percent (5%) of the charges made for such services, including minimum charges for services; provided, however, that for the periods set forth below, the tax imposed by this section shall be at the rate set forth below of the charges made for such services, including minimum charges for services:

Tax Period Beginning with Bills Rendered On and After	Rate of Tax
January 1, 1977 through June 30, 1977	Six Percent (6%)
July 1, 1977 and thereafter	Five and One-Half Percent (5-1/2%)

The tax imposed by this section shall be paid by the person paying for such services.

(b) As used in this section, the term "charges" shall not include charges for services paid for by inserting coins in coin-operated telephones except that where such coin-operated telephone service is furnished for a guaranteed amount, the amounts paid under such guarantee plus any fixed monthly or other periodic charge shall

be included in the base for computing the amount of tax due; nor shall the term "charges" include charges for any type of service or equipment furnished by a service supplier subject to Public Utility regulation during any period in which the same or similar services or equipment are also available for sale or lease from persons other than a service supplier subject to Public Utility regulation; nor shall the words "telephone communication services" include land mobile services or maritime mobile services as defined in Section 2.1 of Title 47 of the Code of Federal Regulations, as said section existed on January 1, 1976. The term "telephone communication services" refers to that service which provides access to a telephone system and the privilege of telephonic quality communications with substantially all persons having telephone stations which are part of such telephone system. The Telephone Users Tax is intended to, and does, apply to all charges billed to a telephone having a situs in the City and County, irrespective of whether a particular telephone call originates and/or terminates within the City and County.

(c) The tax imposed by this section shall be collected from the service user by the person providing the intrastate telephone communication services. The amount of the tax collected in one (1) month shall be remitted to the Tax Collector on or before the last day of the following month.

(d) Notwithstanding the provisions of subsection (a), the tax imposed under this section shall not be imposed upon any person for using intrastate telephone communication services to the extent that the amounts paid for such services are exempt from or not subject to the tax imposed under Section 4251 of Title 26 of the United States Code, as such section existed on the effective date hereof.

Section 2. This ordinance is passed as an emergency measure and the Board of Supervisors does hereby declare by the vote by which this ordinance is passed that an actual emergency exists and that this ordinance be made effective forthwith, the nature of the emergency being the uninterrupted operations of all City and County departments and compliance with time limitations as established by law; provided, however, that the taxes imposed herein shall become operative on the dates set forth in Section 1 hereof.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Part III of the San Francisco Municipal Code is hereby amended by amending Section 602 thereof, to read as follows:

SEC. 602. Imposition and Rate of Tax. Subject to the provisions of this Article, there is hereby imposed a tax of fifteen percent (15%) for the rent of every occupancy of parking space in a parking station in the City and County.

The tax imposed by this Article shall be paid upon any occupancy on and after November 15, 1976, although such occupancy is had pursuant to a contract, leasing or other arrangement made prior to such date. Where any tax has been paid hereunder upon any rent without any right of occupancy therefor, the Tax Collector may, by regulation, provide for credit or refund of the amount of such tax upon applications therefor as provided in Sec. 614(f) of this article.

Section 2. Operative Date. This ordinance shall become effective upon passage, as provided in Section 2.304 of the Charter, except that the tax imposed herein shall become operative and be imposed on November 15, 1976, and shall not apply prior to said date.

(a) Meeting and conferring in good faith between management representatives and the representatives of recognized employee organizations shall take place on all matters relating to wages, hours, and other terms and conditions of employment including any other matters agreed to by the parties as a subject of bargaining. (3) Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with the applicable Charter provisions and rules and regulations of the Civil Service Commission.

(4) Any Memorandum of Understanding negotiated in conformity with this ordinance shall contain a clause prohibiting strikes, slowdowns, or work stoppages as long as said Memorandum of Understanding is in full force and effect, and provided further that in the absence of any Memorandum of Understanding, employees' rights concerning concerted labor activity shall be governed by the pertinent laws of this State.

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE ARTICLE XI.A, CHAPTER 16 THEREOF BY AMENDING SECTION 16.210 RELATING TO THE ESTABLISHMENT OF REPRESENTATION UNITS TO PROVIDE THAT SUPERVISORY EMPLOYEES OF THE MUNICIPAL RAILWAY ARE PLACED IN UNIT 11.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Article XI.A of Chapter 16 of the San Francisco Administrative Code is hereby amended by amending Section 16.210 thereof to read as follows:

Sec. 16.210. Establishment of Representation Units.

(a) All employees throughout the City and County of San Francisco within any of the following categories shall constitute an appropriate representation unit:

Unit 1. In determining any appropriate representation unit MERP shall grant separate representation to any Building Trade or other craft or group which has historically established separate bargaining units in private industry or the journeymen of which normally attain status through the completion of a substantial period of apprenticeship. In establishing any such craft or group unit, MERP shall include all apprentices, journeymen, foremen and general foremen that are customarily included in such craft or group units in negotiated contracts in private industry and shall also include within the separate craft or group unit those positions that have historically been represented by the craft or group organization in the handling of grievances and determination of wages and working conditions with the City and County of San Francisco.

Each position, class or series of classes whose compensation is established under the authority of the Charter in accordance with a particular collective bargaining agreement in private employment, and each position, class or series of classes within the Code 7300

Journeyman Trade Group of the Civil Service Classification Plan (including apprentices, foremen and general foremen) whose counterparts in private employment in San Francisco have their rates of pay set pursuant to collective bargaining agreements with private industry in San Francisco shall collectively be designated a separate appropriate representation unit by MERP.

Employees whose rates of pay are established by the City by reference to a craft or group rate in private industry on a percentage of the craft rate or other basis shall also be included within such craft group or unit established by MERP. Classifications or positions which combine the work of more than one craft shall be placed in the craft unit representing the highest skill required to be performed by the position. In the event this is not possible to ascertain, any individual or individuals occupying any such position or classification shall have the right to a self-determination election to determine appropriate placement of the position or classification. Employee organizations representing City and County employees whose compensation is fixed pursuant to Section 8.403 of the Charter, or whose members are in the Code 7300 Journeyman Trade Group (including apprentices, foremen and general foremen) shall be designated the recognized employee organization for such representation unit by MERP upon complying with the provisions of Section 16.209; provided, however, that after the initial recognition granted herein such recognition shall be subject to the terms and conditions of Section 16.212 of this ordinance.

Unit 2. Non-supervisory employees in blue collar positions not included in Unit 1 above.

Unit 3. Supervisory employees in blue collar positions related to Units 1 and 2, not included in Unit 1.

Unit 4. Non-supervisory employees in white collar positions.

Unit 5. Supervisory employees in white collar positions.

Unit 6. Non-professional hospital and institutional employees.

Unit 7. Municipal Railway employees excepting clerical classifications, transit car cleaners, engineers, technical engineering employees and related supervisory employees to excepted classes.

Unit 8. Professional employees; provided, however, that such profession shall have the right to separate representation for that particular professional category.

Unit 9. Security and detention personnel, excluding sworn permanent and promotive personnel of the Sheriff's Department.

Unit 10. Technical Engineering Employees to include employees working in technical supportive capacities to engineers and architectural staff.

Unit 11. Supervisory employees in positions related to Units 6, 7, 8, 9, 10.

Unit 12. All sworn permanent and promotive personnel, including supervisory personnel, in the Sheriff's Department except the Sheriff and the Undersheriff.

Unit 13. "Paraprofessional" employees in the San Francisco Unified School District and the San Francisco Community College District as classified by the Civil Service Commission.

(b) In the event an employee or employee organization disagrees with their inclusion in a particular unit above, the aggrieved party may submit their protest to the Municipal Employee Relations Panel for a hearing and final determination. In arriving at said determination MERP shall consider, in addition to any other factors, the similarity of skills, wages, hours and other working conditions among the employees involved, the history of collective bargaining with regard to the employees involved and the desires of said employees.

Sec. 16.118. Eligibility for Participation in Award Program; Commendation.

(a) Participation in the Employee Suggestion System Program is limited to City and County employees who submit suggestions in accordance with this Article.

(b) To be eligible for a money award, a suggestion must have been adopted, and must make possible an elimination or reduction of City and County expenditures or result in an improvement in the operation of City and County government.

(c) To be eligible for a money award, a suggestion must propose a change which is outside the scope of the employee's normal job responsibilities. Employees are not eligible for money awards for suggestions pertaining to subjects assigned for research or development, or pertaining to problems assigned to the employee for solution, or which

the employee would normally be expected to offer in line of duty.

(c) The Committee shall receive, record and acknowledge receipt of suggestions, and shall notify the suggester of any undue delays in the consideration of his/her suggestion.

(d) Suggestions shall be referred at once to the department or agency affected for consideration. The department or agency report shall indicate whether or not a suggestion has been adopted; any actual or estimated reduction of expenditures made possible by a suggestion; or, the reasons in detail for rejection.

(e) The Committee shall review the department or agency findings and recommendations and may obtain additional information or take such other action as is necessary for prompt, thorough and impartial consideration of each suggestion.

(f) The Committee shall evaluate each suggestion, taking into consideration department or agency action, recommendations and the objectives of the Employee Suggestion System Program. For each eligible suggestion the Committee shall determine the merits of the suggestion, whether or not the suggestion justifies an award, and the type and amount of any award.

(g) Upon approval of a suggestion, the Committee shall authorize an appropriate commendation plus a $25 award to an employee whose adopted suggestion does not merit a 15 percent money award on demonstrated net savings.

(h) If a rejected suggestion is subsequently adopted, the suggester may request the Committee in writing to reconsider it. Other rejected suggestions may be resubmitted in the regular manner.

(i) To be considered for a money award a suggestion which is first put into effect must be submitted for suggestion award consideration within six (6) months of the date of adoption.

(c) Effective July 1, 1973, out of the allocation of forty-one point six percent (41.6%), eight point three percent (8.3%) of the total amount of the moneys collected and deposited to the Hotel Room Tax Fund pursuant to this Article for a period of not to exceed thirty-five (35) years, less $60,000 a year, shall be specifically appropriated to the Office of the Chief Administrative Officer to facilitate the construction of low-income housing in the Yerba Buena Center Redevelopment Project Area and on certain parcels adjacent thereto, including as may be necessary payments for architecture, engineering, maintenance and operation, construction, financing, and rent supplements for low-income households; providing, however, expenditures of the funds derived from the allocation set forth in this subsection (3)(c) are to be made in accordance with the following budgetary limitations:

(i) The first available funds shall be used exclusively to facilitate development of low-cost housing in Yerba Buena Center and adjacent thereto, including: expenses pertaining to the preparation of architectural and engineering programs, plans, specifications, estimates, monthly expenses incurred by City, and financing land acquisition.

(ii) The funds next available in excess of the amount required for the purposes described in (i) above shall be used exclusively to finance the construction of low-cost housing in Yerba Buena Center and adjacent thereto, including lease rental payments in

support of San Francisco Redevelopment Agency bonds (in the maximum principal amount feasible pursuant to the City Controller's estimate of future revenues to be derived from eight point three percent (8.3%), provided for in this subsection (3)(c), of the Hotel Room Tax Fund, or, alternatively, mortgage payments for other financing used to facilitate the construction of housing; and also including costs of maintenance, operation, furniture and equipment relative to said housing and the administrative costs thereof.

(iii) The funds next available in excess of the amount required for the purposes described in (1) and (2) above shall be used to provide the funds necessary to reduce rentals in one hundred percent (100%) of the units of housing constructed in Yerba Buena Center and adjacent thereto to rent level categories equivalent to those then in effect in public housing in the City and County of San Francisco.

(iv) The funds next available in excess of the amount required for the purposes described in subparagraphs (i), (ii), and (iii) above shall be retained in a maintenance, operation, furniture and equipment reserve fund which shall be allowed to accumulate in the maximum annual amount of $100,000 up to a maximum collective amount of $1 million to insure the maintenance and operation of the housing constructed in Yerba Buena Center or adjacent thereto.

(v) The funds next available in excess of the amount required for the purposes described in (i), (ii), (iii), and (iv), above may be applied, at the sole option of the City, to the early retirement of bonds or other evidence of indebtedness used to finance low-cost housing in Yerba Buena Center or adjacent thereto; or may be applied in support of lease rental payments on Redevelopment Agency bonds issued to finance the public facilities in the YBC Redevelopment Project.

(vi) Notwithstanding any other provision of this Ordinance,

to the extent that the City becomes obligated to make lease rental payments to the San Francisco Redevelopment Agency in support of Redevelopment Agency low-income housing Lease Revenue Bonds or a series of bonds, the obligation of City to make the appropriate allocations referred to in this Ordinance shall be deemed proportionately discharged. In the event that such bonds are paid and discharged prior to maturity, the foregoing obligation to make such appropriations and allocations shall be deemed to be proportionately discharged as if such bonds remained outstanding until their respective stated maturities.

(vii) In the event that other public and private funds in the future become available to construct or otherwise subsidize the low-income housing and related expenses hereinabove referred to, San Francisco Redevelopment Agency or the City and County of San Francisco may use such funds in lieu of the proceeds of the sale of the Redevelopment Agency low-income housing lease revenue bonds hereinabove described, and to the extent that such funds become available and are utilized, the obligations of the Redevelopment Agency and the City and County of San Francisco to finance the low-income housing hereinabove described shall be deemed to be proportionately discharged.

(4) Effective July 1, 1973, an additional $100,000 per year for a period not to exceed 35 years, shall be set aside to the office of the Chief Administrative Officer for use in facilitating the production of low-income housing in the Yerba Buena Center Redevelopment Project Area and on certain parcels adjacent thereto, as provided for in subsections (3)(b) and (3)(c) above.

Any unexpended balances remaining in the allocations set forth in subsections (3)(a), (3)(b), (3)(c) and (4) at the close of any fiscal year shall be deemed to be provided for a specific purpose within the meaning of Section 3.306 of the Charter and shall be carried forward and accumulated in said allocations for the purposes recited herein.

(5) Effective April 1, 1972, appropriating funds for Base Rental and Additional Base Rental as provided for in the Amended Park Lease and Supplemental Amended Park Lease between City and County of San Francisco and San Francisco Stadium, Inc., for the Improvement and Expansion of the Recreation Center located at Candlestick Park. On and after said date nine point one percent (9.1%) of the total amount of the moneys collected and deposited in the Hotel Room Tax Fund pursuant to this Article shall be specifically allocated and set aside for this purpose; provided, however, that on and after January 1, 1973, eight point three percent (8.3%) of said total shall be specifically allocated and set aside for this purpose.

(6) Appropriating funds to the office of the Chief Administrative Officer for publicity and advertising purposes pursuant to the provision of Section 3.201 of the Charter. The balance of the moneys collected and deposited in the Hotel Room Tax Fund after provision has been made for the purposes specified in subsections (1), (2), (3), (4) and (5) of this Section shall be specifically allocated and set aside for this purpose.

(6) (a) The Chief Administrative Officer is hereby authorized and directed to expend from moneys appropriated in Section 515(6) those sums in his discretion deemed necessary to evaluate and review cultural, artistic or advertising programs funded for publicity and advertising purposes.

(7) Payment to the General Fund of any amounts remaining in said special fund in the event that other provision for any or all of the aforesaid purposes is made pursuant hereto.
